AREA51 ELECTRONICS

AUTHORIZED LINE CARD

A diverse lineup of solutions for your supply chain needs.

ABOUT US

Area51 Electronics is a leading minority-owned distributor of electronic, electrical, electromechanical (EEE) components, hardware, and assemblies.

Our Mission

Our mission at Area51 Electronics is to cultivate happiness in the workplace and beyond. When people are happy, amazing things happen - collaboration grows, creativity thrives, productivity soars. We believe creating a happy, supportive, and inclusive work environment empowers everyone to be the best they can be.

Our Purpose

Our purpose is to inspire people to be kind and compassionate. We value the uniqueness of every being and believe that the smallest things can make the biggest difference.

- **Minority Business Enterprise (MBE)**
- **Small Disadvantaged Business (SDB)**
- **LGBT Business Enterprise (LGBTBE®)**

WHAT WE DO

Together, we can accomplish anything.

At Area51 Electronics, we specialize in authorized lines while also carrying the advantage of being an independent distributor of hard-to-find obsolete (end-of-life) verified electronic components.

Access Our Large Network of Suppliers

As an authorized distributor, you will be able to access our vast network of original component manufacturers (OCMs) in various industries including the energy, automotive, industrial, medical, aerospace, and automation sectors.

This ensures you have authentic electronic parts purchased directly through our authorized sources.

We go above and beyond to ensure all products are authentic, handled, and stored in accordance with industry quality standards. Our authorized lines consist of three channels:

- Authorized with a distribution agreement directly with the OCM
- Authorized through a contractual membership with several master distributors
- Direct from the OCM (factory direct)

WHAT WE OFFER

With our proven expertise in electronic component sourcing and distribution, we help you create a customized plan for all your supply chain needs.

Business Diversity

As a Minority Business Enterprise (MBE), Small Disadvantaged Business (SDB), and LGBTBE® certified company, we believe diversity drives collaboration, innovation, and growth.

We have a top-tier team from different backgrounds and experiences to better understand your business goals and needs.

Quality Management Certifications

Our people, processes and technologies enable us to distribute conforming products and services that meet your requirements. Our quality management system (QMS) meets the highest standards for inspection and testing and is certified to:

- AS9100D
- AS9120B
- AS6081:2012
- ISO 9001:2015
- ANSI/ESD S20.20-2021
- FAA AC 00-56B

On-Time Delivery

We work closely with our authorized sources and you to ensure our turnaround times are accurate, so you get the parts you need – on time, every time.
